

# Filters for filtering without a filter machine

**Efficient and Safe\* filtering without a filter machine**

**Improves the performance of portable filter machines**

• **Better**

*Captures micron size particles  
Does not leach chemicals into oil*

• **Faster**

*Much more filter area for oil flow*

• **Safer**

*\*Filter at bath water temperature with EZ Flow™ filters*

**Filter as many as 1000 fryers for ½ the cost of paper filters**

## Filter Bags

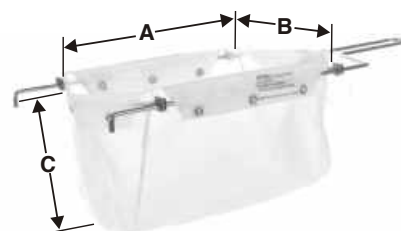

|   | EZ FLOW™ Series  |                                   |                                   |                                    | OIL POLISHING Series              |                                   |                                   |
